SUMMARY

- Proficient in Core Java, Java EE, Node.js, Python and with a strong concentration on backend development. I am eager to contribute to innovative projects through technical knowledge.

SKILLS

Technical Skills :

- Core Concepts - Data Structure, OOPs, DBMS
- Frontend - HTML, CSS, Bootstrap, JSP
- Backend - Java SE, Java EE, Python, (Node.js, Express.js, JavaScript)
- Database - MySQL, MongoDB
- Additional - Git, Github, MSWord, MSExcel

Soft Skills :

- Communication, Adaptability, Team Works, Leadership.

PROJECT

Open Library

- Tech-Stack - **Core Java, JDBC, Servlet, JSP, Java Mail API.**
- Developed a web-based platform to manage eBooks, **allowing users to search, buy books and sell old book.**
- Implemented **real-time database connectivity** using JDBC.
- Designed a responsive interface with JSP for seamless user experience.
- Designed a contact form with integrated JAVA Mail API to enhance user communication.

Homigo - On Demand Home Services (Ongoing)

- Tech-Stack - **Node.js, Express.js, MongoDB, React.js (MERN Stack)**
- Developing a web-based home services platform where **users can hire professionals such as plumbers, electricians, carpenters, and masons.** Implemented user registration, authentication, and login modules. **In progress** : Service booking and scheduling functionality.

Weather Web App

- Tech-Stack - **HTML, CSS, JavaScript, JQuery.**
- Developed a responsive web application to provide live weather updates for specific locations.
- Integrated **OpenWeatherMap API** to fetch real-time weather data.
- Designed an interactive UI with responsive design principles. Ensured cross-browser compatibility

EDUCATION

B. Tech in Computer Engineering | Ganpat University, Mehsana, Gujarat.
Class XII | Lucknow Model Public Inter College, Lucknow, U.P.

CGPA : 8.52
PCT : 74.4%

CERTIFICATIONS & ACHIEVEMENTS

1. **Communication Skills” - TCS IQN**
2. **Introduction to Cryptography for Beginners - Simplilearn**
3. **Python Course with Certification : Mastering the Essentials - Scaler**
4. **Prompt Engineering for chatGPT - Great Learning**
5. **Participated in Flipkart GRiD 5.0 - Software Development Track | Unstoppable Platform**
